

Weekly Report
19/7/2018 - 29/7/2018

I'm working on revising the survey paper that was rejected last time. I just finished the edited version and sent it to my colleague in Switzerland, and now he is helping me to revise again. He will notice me back around next week, and I will rewrite twice then sent it to you. For working with Tianye, I will ask her again after lab vacation.

After summer school, I will back to Thailand during 8.9.2018 - 9.4.2018, for the meanwhile, you can contact me all the time.

Regarding during the summer school, I want to inform you; there are six people from Thailand including me to attend this class. Two of them are professors from Sripratum University and also other professors from Ireland and Singapore. They have asked me to bring them for sight seeing Hangzhou in a couple of days.
